Students who are interested in taking any of these courses should contact the Departments and/or Schools to verify course offerings and check availability. Graduate students wanting to take Law courses should contact the instructor in order to obtain a “force registration slip.”

1. Registered Law Students will not be able to register for courses outside the Law School prior to your registration time slot. Please contact these Departments directly. Explain Law School registration requirements, and ask them to either “force register” you after Law School Registration begins or to save a seat for you.
2. English & Comp. Lit. courses offer students the opportunity to take coursework intensively (A) or extensively (B). No final term paper is due if the course is taken extensively.
3. Additionally, as course offerings are subject to change, this may not be entirely up-to-date. Again, if you are interested in taking any of these courses, please contact the Departments and/or Schools to verify course offerings and check availability.
