**NOTES:** Please let us know of any errors, omissions, or discrepancies. This is not an official listing and it may change. Students who are interested in taking any of these courses should contact the Departments and/or Schools to verify course offerings and check availability.

1. Graduate students wishing to take Law courses should contact the instructor, or his/her secretary, in order to obtain a “force registration slip,” then take this form to O’Brian Hall, Room 303 and identify yourself as a Graduate student, not a Law student.

2. Registered Law students will not be able to register for courses outside the Law School prior to your registration time slot. Please contact these Departments directly. Explain Law School registration requirements, and ask them to either “force register” you after Law School Registration begins or to save a seat for you.
3. English & Comp. Lit. courses offer students the opportunity to take coursework intensively (A) or extensively (B). No final term paper is due if the course is taken extensively.
