

Major Developments in Redistricting

October 14-15th, 2011 | University at Buffalo Law School 509 O'Brian Hall

Do Redistricting Practices Undermine Democracy?
Should Legislators Cede Their Authority to Citizens' Commissions?
Does Race Still Matter?
Can Technology Empower The People?

Nationally recognized leaders in the field – including scholars, experts, practitioners, advocates and participants – explore and debate major trends in the current redistricting round.
