1. If I am accepted into the externship or judicial clerkship program, I know that although the Law School will consider my interests to the extent possible, the Law School will assign me to one of the available offices (depending upon the program for which I have applied) and that I must accept the placement that the Law School provides me.

2. I will work a minimum of 16 hours per week for 6 weeks at the office to which I am assigned. Although I may work outside the office from time to time if the office requires it due to the nature of an assignment, I understand that working from home or from another location on a regular basis is not permitted.

3. I will maintain the schedule of working at the office that I work out with my externship/clerkship placement. I will treat this schedule the same as any other class schedule and I should not vary it unless absolutely necessary due to an unavoidable conflict or illness and with advance notice as early as possible by phone or in person to the office where I work.

4. I will complete weekly reflections in accordance with the posted schedule and submit my hours each week as required, and complete any additional assignments listed in the syllabus.

5. I will maintain a professional demeanor at work, which includes wearing appropriate professional attire, communicating with all personnel respectfully and on a professional level, and refraining from doing any personal business or school work at the office.

6. I will not contact any office that hosts externs or clerks concerning my application for an externship/clerkship, to arrange my own placement, to persuade an office to accept me as an extern/clerk, to dispute a decision that removes me from consideration for a placement in an office, to dispute a grade, or for any other matter, except concerning work assignments performed for an office at which I am placed. Except for those communications related to the work I am performing at an office at which I am placed, I will make all communications concerning externships or clerkships to Dawn Skopinski, administrator of the Externship Program, or Professor Lisa Bauer, the Director in charge of the externship and clerkship classes.

7. If I have missed 32 hours or more in my externship/clerkship office after 3 weeks, I will resign the course or will be administratively withdrawn. I understand that the externship/clerkship is a class with regularly scheduled hours. Because of the disruption that changes in schedules can cause the externship/clerkship office, I will NOT rearrange my scheduled time in the office to accommodate non-emergency interviews, travel, etc.

8. I will attend the mandatory externship/clerkship class meeting and I understand that my attendance is a condition of my completion of the externship/clerkship. I also understand that the time spent in class meeting can be added to my overall hours spent on the externship/clerkship for that week.

9. I shall not disclose or release any information designated as confidential, or that may identify a party, client, case or matter that is served by or brought to the placement office, without the express, advance authorization of my Supervising Attorney, except to the extent the information is publicly filed and not subject to any other confidentiality order.
10. I understand that I shall keep confidential any information received from a client whether or not it pertains to a pending case. This legal obligation continues beyond the period of the externship.

11. With my Supervising Attorney’s express permission only, I may use a properly redacted document as a writing sample.

In cases where permission is granted, only copies and not the original files should be taken off-site, unless otherwise permitted by the Supervising Attorney, and then returned to the placement office. Any field placement information or files residing on my personal electronic devices will be electronically provided to the placement office at the end of my externship and then deleted from my electronic devices and/or cloud.

14. I promise to use special care to preserve confidentiality when communicating with a supervisor, co-worker, client or others regarding a case.

15. I will dispose of confidential information according to the placement’s office policies including shredding or proper disposal of electronic copies.
