Attached are descriptions of the Spring 2016 semester practicums offered through the SUNY Buffalo Clinical Legal Education Program. Please review this carefully as some practicums have prerequisites or corequisites. All interested students should apply for a SUNY Buffalo Legal practicum via the online application. Please note: there is a separate application for a clinic.

Applicants should be aware that practicum students are NOT considered members of the SUNY Buffalo Clinical Legal Education Program Law Practice, and will not be admitted to practice under a practice order. You will be eligible to earn hours toward pro bono, however, and will satisfy your skills requirement.

In order to give opportunities to all students who want an experiential learning experience, students will not be allowed to enroll in both a clinic and a practicum in the same semester. Students who want to enroll in a practicum and an externship in the same semester require special permission from Vice Dean Connolly.

Questions regarding the clinical program or related experiential learning should be directed to Professor Kim Diana Connolly, kimconno@buffalo.edu.

Prerequisite: Criminal Procedure, New York Criminal Law or equivalent

Students enrolled in this course will actively participate in the defense of criminal cases handled by local attorneys under the Erie County Assigned Counsel Program, which provides legal assistance to indigent defendants. Students will also produce a brief applied research paper on a topic of choice related to their fieldwork. These papers may be published online. In addition to working directly with assigned counsel, students will attend evening classroom sessions to review the law and policy, prepare for their fieldwork and discuss related issues.

PRO SE CIVIL LITIGATION SUPPORT PRACTICUM

Professors Bernadette Gargano and Bridget O’Connell
Thursday, 6:00 – 9:00 p.m.
4 Credits

More than twenty-five million Americans are denied legal assistance each year due to lack of resources. This crisis impacts individuals and families that are part of our most vulnerable populations. In this service learning practicum, students will interview clients at the courthouse and assist practicing attorneys in advising clients through the ECBA Volunteer Lawyer’s Project (VLP). Working with Professor Bernadette Gargano, Bridget O’Connell, Esq., and VLP, students will also perform legal research, develop legal resources for unrepresented litigants, and provide litigants with assistance in navigating legal documents and the court system. Students will staff either the Help Desk in Erie County Family Court or the Pro Se Assistance Program in the U.S. District Court for the Western District of New York. As part of their fieldwork, students will participate in skills training and write a white paper (5-6 pages) on a social justice/access to justice topic of the student’s choosing. These papers will be published on the law school website. Applicants must: (1) be available to work in court for at least two days per week; and (2) provide a copy of their Spring class and work schedules with their application, or as soon as they are available. The Family Court Help Desk is staffed from 11:15 a.m. to 2:30 p.m. on Monday, Tuesday, Thursday, and Friday. The Federal Court Pro Se Assistance Program is staffed from 10:30 a.m. to 2:15 p.m. on Wednesdays and Fridays. This course satisfies the skills requirement and provides the 50-hours of pro bono service required for admission to the NYS Bar.
