

Emergency Assistance for Students

REQUEST FOR FUNDING

The UB School of Law Emergency Student Assistance Fund was created to help students through emergencies that might otherwise disrupt a student's progress towards earning their UB SOL degree. Established and currently maintained through the generous donations of students, faculty/staff, alumni, and the legal community, available funding may vary from year to year and person to person.

Please note that Emergency Student Assistance funds cannot be utilized for tuition assistance.

To be considered for Emergency Student Assistance funding, please complete the following request and submit the form with the necessary documents. Students may only apply for funding once per academic year.

Completed forms must be submitted via email (law-studentaffairs@buffalo.edu) to the Student Affairs Office
