NON – ACADEMIC INFORMATION (VISA, housing, health insurance, ...)

For non-academic issues such as housing, visas, medical contacts, health insurance or any other matters, students should:

- contact the ESADE International Student Advisor:
Ms. Jackie Neff at jackie.neff@esade.edu or isa@esade.edu
- or/and check ESADE intranet in ESADE Student Guide (Housing / Spanish Paperwork)

1. VISA

STUDENTS FROM EU-COUNTRIES and citizens of Norway, Iceland, Liechtenstein and Switzerland do not require a visa to enter Spain. All you need is a national identification card or passport.

STUDENTS FROM NON-EU-COUNTRIES

All applicants from Non-EU nations need a visa to study in Spain. In order to get a visa, all students must apply at the embassy or consulate of Spain in their home country at least 2 months ahead of time.

The documentation that you may be required to present when applying for a Student Visa includes:

- Passport
- Passport-size photos
- Proof of financial means
- Admission Letter from ESADE
- Proof of medical insurance including repatriation
- Proof of Accommodation*
- Other documentation specific to your situation

*Please contact jackie.neff@esade.edu for this document.

NOTE:

- In the past, some Spanish Consulates have instructed students who are coming to Spain for only three months to come on a Tourist Visa rather than a Student Visa. A Tourist Visa is valid for 90 days and may be easier to obtain. Follow the advice of the Consulate.
- If you plan to travel outside of Spain during the period shown on your Student Visa, be sure to ask for a multiple-entry visa. Even then, there is no guarantee that you will get it.
- If you do not need a visa to enter Spain, you can stay in the country / the Schengen Area for up to 90 days within any 180 days without a visa.
- If you enter Spain on a Tourist Visa or without a visa, you may not be able to extend your stay beyond the 90-day limit. In the event that you decide to stay longer than 90 days, you may be required to return to your home country to apply for the Student Visa there.
- Keep your plane ticket stub or receipt in case you need to prove date of entry and your passport is not stamped on entering Spain or the Schengen Area, However, be warned that you may be required to return to the airport to get the stamp.
- If you are living outside your home country when you apply for a Student Visa, the Spanish Embassy or Consulate in the country where you are currently residing may require you to return to your home country to apply for the Student Visa. Do not assume that you will be able to obtain a Student Visa from a Spanish Embassy or Consulate outside your home country.

2. HEALTH INSURANCE

All international students are **required to have valid medical insurance coverage** for the entire time they are in Spain. *Proof of health insurance with international coverage will be required to complete registration.*

Students from EU/EEA countries need to bring the European Health Insurance Card for free medical assistance from the Spanish public health system.

Students from Non-EU countries are required to arrange private insurance to cover medical care in Spain and check with the insurance company about the specific details and exact procedure to follow should they need medical attention while in Spain.

3. HOUSING

ESADE does not have housing facilities for students in Barcelona – Pedralbes but students are welcome to stay at the Residencia Sarria, which is a 15 minute walk down to the Pedralbes campus and about 25 minutes to the Sarrià FGC station.

There is a large amount of available housing in Barcelona, but it can be relatively expensive and it takes time to find. Looking for an apartment on your own requires knowledge of the different areas (barrios) in Barcelona because prices can vary substantially from one area to another. **It is highly recommended that you plan to arrive in Barcelona at least one week prior to the start of your programme to locate accommodation.** With this in mind you should book a room in a hotel, hostel or student residence for this initial period before arriving. Investing this time to look for housing in person will help ensure your longer-term accommodations are of a reasonable price and standard of comfort. **The neighbourhoods which are most popular with ESADE students are Gràcia, Sant Gervasi, Sarria and l'Eixample; Les Corts and Sants are also conveniently located.**
