**L- 522 JUDICIAL EXTERNSHIP SKILLS COURSE** – Instructor TBA  
**1 credit**

Limited to 10 students; by permission of instructor only. Contact Dawn Skopinski for permission at Skopinsk@buffalo.edu or 645-6261. Mandatory co-requisite for Judicial Externship – Intensive (L 523); if there are openings in the course after preference is given to the Judicial Externship - Intensive students, Judicial Externship students (L797 – 3 credits) may be admitted.

This course will help students develop the legal skills necessary to perform as successful student judicial externs. Assignments will require students to further develop and refine their research, writing, and analytical skills. Students will learn how to prepare bench memoranda, judicial opinions, and other documents typically produced by judicial law clerks. We will examine the function and role of judicial clerks, the relationship between law clerks and judges, and the ethical obligations governing judges and their clerks. Students taking this course will gain a deeper understanding of trial and appellate court practice and become more adept at addressing complex legal questions. Because students will be simultaneously serving as judicial externs, ample time will be allotted for questions, discussion, and the exchange of workplace experiences.

**This course is being offered through distance learning software online. Students must have a high speed internet connection and a computer with a camera and microphone.**

*The day and time of the online class will be announced at a later date, and will most likely be in the evening.*

## **Instructions for Summer Externships and Judicial Externships:**

**In order to be permitted to be placed and earn academic credit for work performed for a governmental or not-for-profit law office or for a judicial externship during the SUMMER semester, you must FIRST receive prior approval from Vice Dean Melinda Saran.**

Although for the summer program only students may solicit and secure their own placements throughout the country, **you cannot be enrolled in an externship or judicial externship for credit unless the placement is approved by the instructor.** Approval is contingent upon the placement meeting University at Buffalo School of Law standards for the activities and supervision necessary for a credit-bearing externship. The Law School's externship and judicial externship standards can be found in the University at Buffalo School of Law "Externship and Judicial Externships Fact Sheet" at <http://www.law.buffalo.edu/beyond/externships/facts.html>.

Many students' questions can be answered in the University at Buffalo School of Law "Fact Sheet for Students" at <http://www.law.buffalo.edu/beyond/externships/student-factsheet.html>.

However, if you wish the University at Buffalo School of Law to secure a summer placement for you, most of the externships listed for the Spring 2019 semester are available for summer placements. See for descriptions: <http://www.law.buffalo.edu/content/dam/law/restricted-assets/pdf/registrar/Spring2018/spExternship18Packet.pdf>.

Please note: Some placements offered during the academic year have their own summer hiring programs (e.g., Federal judges, US Attorney's Office, NYS Attorney General, Erie County DA's Office), and the Law School will not be able to place students in these offices.
